DAVE AND DAPHNE SAILING AND PERFORMING ON THE GENERAL JACKSON SHOWBOAT – NASHVILLE, TN

The General Jackson Showboat is a 300-foot-long vessel styled in the grand tradition of the paddlewheel riverboats that cruised the great southern waterways in the 1800s. This beautiful showboat has four massive decks, which offer a variety of dining and entertainment options while cruising the Cumberland River in Nashville, Tennessee. The General Jackson is known for its fabulous shows that are performed in the beautiful two-story Victorian Theater located in the center of the boat. For his third year, Dave was reunited with some old friends when he was asked to perform during the spring, summer and fall months with the Showboat Band—“Bob Fortner and The Southern Jam Band”, who entertain for your outside cruising pleasure on the Hurricane Deck! Daphne was also featured again this year on the showboat singing to audiences while cruising down the beautiful Cumberland River! Come visit us in Nashville, immerse yourself in the proud tradition of the great showboats of yesteryear, and delight in the panoramic sights of the scenic Cumberland River as you enjoy a leisurely two-and-a-half hour cruise aboard The General Jackson Showboat! www.generaljackson.com

BARBARA MANDRELL CALLS DAVE

Most of you will remember that Dave spent 10 years on the road with Barbara Mandrell as her lead guitarist --- she named her band — The Do-Rites. Well ---- As we began a trip back home from a show, the cell phone rings and Daphne answers --- “Hello”. “May I please speak to David Salyer?”, “Yes, who’s calling, please?”, “Barbara Mandrell”. What a great phone call that was! Dave and Barbara talked and talked --- and talked! Reuniting, expressing their admiration and respect for each other, and reminiscing good times. Barbara just called to check in on one of her favorite “Do-Rites”! She says the folks are so very nice to her in public places, and she really misses her band! She told us to say HI to all of you who were fans and still enjoy her music as we do! Barbara Mandrell! WOW! What a GREAT LADY!

A MEMORABLE TRIP TO TUNICA, MS

While performing a show in Tunica, MS, we had the distinct delight to dine at Paula Dean's Restaurant at the Harrah's Casino. What a treat! Food! Food! & MORE FOOD! It was the most wonderful buffet of the finest cooking we've ever seen or tasted! You know, Paula is from Daphne's hometown of Albany, GA! We recommend that Southern Goodness to everyone!

OUR LITTLE BUDDY GOES TO HEAVEN

For years now, we have shared with you the sweet stories and adventures of our precious little Buddy-- a 17 ½ year old miniature black & tan dachshund. This year in April, Buddy became very ill, and we made the only decision to make --- to send him to Heaven. As many of you know through your own experience, this was a very painful time for us. Thank you all who shared in our love for our little Buddy by sending toys at birthdays, treats, sweaters, etc. at Christmas and all throughout the many years --- we also thank you for your kindness of flowers, gifts and cards at the time of having to let him go. That meant more to us than mere words would ever express. The precious memories of our little pal through pictures, videos, and simply always having him in our hearts, will forever remain. Thank you all for loving him as we did --- one of God's sweetest little critters --- our Little Buddy! He is greatly missed.

NASHVILLE FLOODS IN MAY

In May of this year, Nashville, TN experienced a devastating flood that destroyed much of what Music City USA stands for --- MUSIC. The Opryland area was hit severely, --- from our beloved Grand Ole Opry House, to so many homes of friends, family and surrounding communities ---- and so many jobs --- Lots--- Everything --- LOST. Our music family was hit very hard. Through extreme kindness, helping hands and simply coming together as neighbors, brothers & sisters, Nashville, and it's surrounding counties, loved through the horrible aftermath of the flood, and built our city and homes back stronger than before! We are proud of how this tragedy was handled by our city & state officials and by the residents of our great Tennessee! We are called "The Volunteer State" --- Our residents certainly demonstrated that! Thank you all for your calls of concerns, the numerous folks who came from other states to our aid with personal assistance through your businesses of expertise --- you are greatly appreciated! ---- And mostly — thank you! Thank you! For your fervent prayers.

God truly gave us strength and endurance when we didn't think we had any left. We were there to celebrate the Re-Opening of our Grand Ole Opry House! Nashville is back, and we want *YOU* back! So, come visit us! We're **BETTER THAN EVER BEFORE!**
